# BADEZIMMER ACCESSOIRES BATHROOM ACCESSORIES

## DIFFERENT BATHROOMS. DIFFERENT LOOKS

Aliseos Badezimmer-Accessoires lassen sich individuell auf Ihre Badplanung abstimmen: die moderne NOW, die kraftvolle ARCHITECTO, die zeitlose TECNO, einzigartige NEXXUS und die kompromisslose MAXIMA ✓

Aliseo's accessories offer a visual stability and luxurious balance that complement the many different looks in bathroom décor: the contemporary NOW, the more defined ARCHITECTO, the timeless TECNO, the unique NEXXUS and the uncompromising MAXIMA.

Mit den NU finishes gestalten Sie alle Kosmetikspiegel und Badaccessoires in Ihrer Wunschoberfläche und -farbe. Wir setzen diese dann als hochwertige PVD-Beschichtung um. Brillant, langlebig, kratz- und korrosionsbeständig und einfach zu reinigen. ✓

With NU finishes, you can customize all cosmetic mirrors and bathroom accessories in the surface and color of your choice. We then apply these as a high-quality PVD coating. Brilliant, durable, scratch and corrosion-resistant and easy to clean.

Alle ALISEO Hotelbad-Accessoires werden aus Messing hergestellt und kommen mit einer verchromten Oberfläche. Allerbeste Qualität also. Werden andere Materialien verwendet weisen wir sie darauf hin.

Auf unsere verchromten Oberflächen gewähren wir eine freiwillige Garantie von 10 Jahren. Die beiden Serien mit Pulverbeschichtung NEXXUS und MAXIMA haben eine Garantie von 2 Jahren. Bitte beachten Sie unsere Montage- und Pflegehinweise. ✓

All ALISEO hotel bathroom accessories are made of brass and come with a chrome-plated surface. The very best quality. If other materials are used, we will point this out to you.

We grant a voluntary guarantee of 10 years on our chrome-plated surfaces. Please follow our installation and maintenance guidelines.

Unser selbstlöschender Abfallbehälter ist nicht brennbar und kommt in super schlichem schwarz. Die Konstruktion des Deckels sorgt dafür, dass im Falle eines Brandes im Abfallbehälter, der Rauch die Frischluftzufuhr versperrt und das Feuer erstickt. Material und Farbe sind mit der höchsten Klasse -nicht brennbar- zertifiziert, so sind Sie auf der sicheren Seite in Sachen Brandschutz und Style. / Our self-extinguishing waste bin is non-flammable and comes in super sleek black. The design of the lid ensures that in the event of a fire in the waste bin, the smoke blocks the supply of fresh air and smothers the fire. The material and color are certified with the highest class - non-combustible- so you are on the safe side in terms of fire protection and style.
