LED SPACE SAVER

Double arm construction
Maintenance free illumination
3x magnification
Full horizontal/vertical adjustments
215 mm diameter

LED Space Saver

... when Space is at a premium

Low profile, sturdy double arm design. Energy saving, maintenance free illumination with a lifespan of up to 50,000 hours. Serviceable 21.5 cm illumination powered by 35 LEDs provides pinpoint reflection and a faster cooler light.

Double pivot reinforced rotating pin insures vertical and horizontal adjustments. Folds flat to the wall when not in use. Convenient back plate switch allows for ease of operation.
